## PRINCIPAL'S REPORT

Year 12 students have finally completed their Higher School Certificate examinations and all students have left Yanco for the last time. The examinations went well but not all students gave themselves the best opportunity through leaving early through many of the examinations. The school and I wish all students the very best for their futures and hope they get the results they have worked so hard for and deserve. Many students have already been offered early entry to courses at University based on Assessment results and interviews. Congratulations to you all and we hope to see you at speech day on Thursday the 15th of December.

Year 11 students have finished their exams while the rest of the years will be completing theirs over the next 2 weeks. Following this and prior to the school camps taking place in week 9 NORMAL lessons will continue in all classes. Students will be completing work that is needed to finalise courses and as preparation for subjects next year. It is vital that students are at school during this time rather than try to catch up missed work and knowledge at the beginning of next year.

I have recently been to the Murrembateman Field Day with Mr Hammond and half a dozen students from Years 7 to 12. Once again the students did the school and themselves proud by being actively involved with all prospective enquiries. As soon as someone approached the schools marque, students jumped up to greet them and tell them about the school. Only rarely did Mr Hammond or I have to clarify any questions and everyone was most impressed by the manner, knowledge and enthusiasm of the students for the school.

Orientation for new students to the school, including Year 7, takes place from Tuesday November 29<sup>th</sup> Friday the second of December 2<sup>nd</sup>. On Tuesday 30<sup>th</sup> November there will be a P&C meeting in the hall from 3.30 pm. with a dinner held that night for new parents. At present numbers for Year 7 next year appear to be about 48, with nearly 30 applicants for Years 8 to 11.

Reports will be coming out shortly and if there are any concerns regarding your child and their progress please contact the Year Advisor in the first instance.

## LEADERS OF LEARNING – SEMESTER 2 UPDATE 2016

As the year nears to an end there have been a number of updates to report on in regards to the Yanco 'Leaders of Learning' Program. This initiative, first launched at the end of Term 2, 2016, aims to provide Year 9 and 10 students with explicit leadership skills that they have been using to assist their younger peers in Year 7 improve their literacy outcomes. To date, the program has proven to be an insurmountable success with a number of Year 7 students graduating to reading material designed for pupils with an expected reading age of 15-16 years!

Following the implementation phase of this program, Year 9 and 10 students were also asked to provide feedback on how the program could be further improved to enhance literacy engagement and meet their leadership needs. As a result, the following areas have been considered and revised in preparation for re-commencement of the program in 2017. They include:

- Developing a reflective journal for Year 9 and 10 students to document their leadership growth experiences and document the learning development of their Year 7 peers.
- Introduce time for Year 9 and 10 students to assist with prep once a week for 30 minutes. It is hoped that the prior experiences of these Mentors will prove invaluable to their younger peers as they engage with the learning demands of high school.
- Providing further training opportunities for Year 9 and 10 students to explore other literacy devices (such as digraphs) and how these can be taught to students during a weekly Leaders of Learning session.

Year 7, 9 and 10 students should be congratulated on their commitment to this program and their willingness to provide important feedback that will lead to the further growth of the Leaders of Learning initiative in 2017.

## GETSET YOUTH MENTORING PROGRAM

As part of the GetSet Youth Mentoring Program for 2016, I was tasked with undertaking a project that aimed to benefit the community.

My project was a “Morning Tea for War Veterans” to be held at McCaughey Mansion. Morning tea was provided by the dining room ladies and there were performances by Jessie Armstrong, Emma Dixon and myself. After the main proceedings of the event, William Carey and Matthew Senes led a school tour which all the veterans loved, as many of them worked on the construction of school expansions such as Mason and Hindmarsh buildings.

Overall, the project was received well and John Power and the Leeton RSL are looking at making this an annual event. This would be an amazing opportunity to do more for our local War Veterans.

The GetSet Youth Mentoring Program is a brilliant, although time consuming, program which was so worthwhile for a student like myself and I'd encourage future Year 9 students to get involved with the program and step up to the challenge of engaging with our community.

I take great pride in my efforts to make this possible; however I would have failed without the help of my mentor and the team of Year 8 & 9 students who rose to every challenge that I set them. Without them I could not have set up McCaughey House for the event or even written an itinerary for the event. I'd like to thank Mr Gifford for organising our schools involvement in the GetSet Youth Mentoring Program, Miss North who provided all of the audio equipment I required and Mr Hunt for allowing me to hold this event at school.

I would also like to thank my crew: Joel Jenkins – Audio, Jessie Armstrong & Emma Dixon – Vocalists and Set Up. Kate Cattle, Olivia Seymour & Kaitlin Dykes – Set Up. William Carey & Matthew Senes - Speakers and Tour Guides. Aleisha Read – Photographer.  
Gino Amato – My Mentor

## EXCEPTIONAL EQUINE EVENT RESULTS

Over recent weeks the small team of YHAS horse riders have produced outstanding results at local horse events.

**Kate on Diva in a very competitive run in the Under 15's Barrel Race.**

the mob. Consequently quite a few riders felt the need to push their cattle hard to catch up and blew away their opportunities to complete the course. Fortunately YAHS rider camp scores were very competitive and helped secure solid results.

Competing for the first time in a camp draft, Georgia Nicholson and Kiara Henderson demonstrated keen skills developed at school over the previous two weeks. Our poddy calves are now certainly more accustomed to handling than they were previously. The contribution of all YAHS riders in providing cattle handling assistance was appreciated by the organisers (and also provided some fun for the students).

**Kiara and Georgia swoop around the first peg in a hotly contested semi-final of the Under 18's Flag Race.**

**Miller's Flat Gymkhana** held at North Wagga also provided opportunities for our riders to test themselves against their age cohorts. And they acquitted themselves well. Kelsey Bandy won the bending race and picked up places in the flag and barrel races and Kate posted some very quick times. In the older group Georgia and Kiara competed strongly against a large field and achieved a number of semi-final runs against competitors that subsequently featured strongly in the open events. We also took the opportunity to school horses over some of the many obstacles used at the grounds for Working Horse Challenge events and returned to school intent on recreating some of those obstacles. The number of people applying to become non-riding handlers at the Complex is steadily increasing and Lil Jo is being kept busy during the assessment and development phases. Along with his duties for the Stage 5 Equine students who are assessing his relative fitness compared to a more sedentary older horse Jo also performed creditably at the West Wyalong Draft by picking up an equal third in the Encouragement Draft, his first competitive drafting event.

**Kelsey and Flicka accepting their award for 1<sup>st</sup> place in the Under 15's Bending Race.**

## MELBOURNE ROYAL SHOW 2016

On Friday 16<sup>th</sup> September it was an early start for Yanco's cattle team. We headed to the Melbourne Royal Show with fourteen head of cattle, sixteen students, Miss Weller and Mr Collins. We arrived around 1:30pm and unloaded all the gear, including the steers. Once the cattle were settled in to their beds we headed back to the caravan park where we were staying. After dinner it was an early night for all of us.

**The Limousin Borthwick Team, prepared by Y. A. H. S.**

Saturday was all about learning how to Judge and Parade cattle. Some of us learnt how to clip the steers while others went for a look around the show.

Sunday was much the same, clipping, cleaning halters and weighing steers. A barbeque tea was put on by the Rotary Club and later that night we were able to watch the motorbike racing and fireworks.

Monday was an early start for us knowing that we had steer classes and Borthwick classes. Four of our steers were chosen in the Borthwick, three Limousins and one Angus. The three limo steers were owned by Margret Pierce, Le Martres Limousins and Kings Creek Limousin. The Angus steer was owned by The Glen pastoral. Later on in the day Yanco was very successful by winning Grand Champion steer, Mississippi Hippie (bred and donated by the Fairley Family).

Tuesday was an early start as we all prepared to compete in Paraders that day. We were busy spot washing and blowing, getting ready to look the best we could. We ended up with six heat winners; Cameron Saul, Damian Cain, Dimity Evans, Jaimee McQuellin, Lachlan West and Ella Brooking. All six followed through into the finals and Cameron Saul took out the Grand Champion Parader title, winning the competition fair and square.

**The Cattle Team - busy clipping and preparing steers.**

**Yanco Cattle and all their winning ribbons, relaxing after a big day of showing.**

Melbourne was also a carcass show therefore at the end of the show the cattle are loaded onto a truck the next day and are judged again when they are on the hoof and hung up. When hung we came away with the Champion Middle Weight Carcase with our steer Little Red (donated by Garren Park Limousins). Our highest point scoring steer, with 93 points, and placing 3<sup>rd</sup> on the hook in his division, was an Angus steer called Asteroid, donated by The Glen Pastoral.

All in all we all had a great experience at the Melbourne Royal Show. Yanco was awarded the most successful school and college. We had a

fantastic time and can't wait for next year thanks to Miss Weller and Mr Collins.

Adam Davis - 4<sup>th</sup>

**All students who qualified for various State Junior Judging Finals in Sydney 2017**

On the Saturday we competed in the Junior Parader's Competition with this also being a qualifiers event for Sydney Royal 2017. We also had the Sheep Team come and participate in this event with many of them stepping out of their comfort zone and leading a steer or heifer for the first time. In this event we had six members of the team successfully qualify; Cooper Carter, Jaimee McQuellin, Rose Hogan, Cameron Saul, Lachlan West and Dimity Evans.

**Yanco Limited Edition -  
Champion Interbreed Junior Bull**

After the Paraders it was onto the Cattle Judging and Sheep Judging classes. In the Sheep Yanco took out champion White Suffolk Ewe and Ram of the show. The cattle won Champion Shorthorn bull with Yanco Limited Edition, which then went on to win Champion Junior Interbreed Bull. Our Limousin heifer McCaughey Miss Liquorice won Reserve Champion Heifer with Yanco Leisha winning reserve Champion Shorthorn Heifer behind Cooper Carter and his own Heifer he showed. Yanco continued their success in the interbreed section winning pair of Heifers and Breeders group with the Shorthorn Team.

Overall Yanco had a very successful show with the school winning Champion School. Many thanks must go to all the parents who came and supported us and also Mrs Quinn, Mr Collins and Miss Weller for taking us to Cootamundra.

## ALBURY SHOW

On Friday 28<sup>th</sup> October we headed off to our final show of the year, Albury Show. This year we were joined by Zach Knutson, the American shorthorn exchange student. We brought fourteen head of cattle, seven of which were carcass animals to be judged first on the hoof then as carcasses. We started the day of with Junior Judging with many people getting the opportunity to speak on the animals. Yanco was very successful with Keely Ryan winning Grand Champion Junior Judge of the show. We also came second in the 15-25 year age group with Maken Danen.

We then had paraders where we had five people qualify for Sydney Royal State Finals 2017. These people were Damian Cain, Connor Whitehurst, Sarah Manwaring, Ella Brooking and Kylie Fairfull. We were also lucky enough to win Grand Champion Parader with Cooper Carter and Reserve Champion Parader with Dimity Evans.

On Saturday it was our turn for cattle to be judged. In the stud animals we had two first places with Yanco Becky and Yanco Temptress. We also received Reserve Champion Bull with Yanco Legacy. In the steer judging we had excellent results

**The group with winning steer Luck of the Draw**

also, winning Grand Champion Carcass with a steer called Luck of the Draw, donated by King Creek Limousins. Once the show was over we headed back to Yanco with seven less head of cattle and ready to head back to Albury for the "Carcass Viewing" on Tuesday.

**Champion Carcass**

On Tuesday thirteen people headed down to Albury to view the carcasses. We were very fortunate in winning Grand Champion and equal Reserve Champion Carcass with two

Limousins donated by King Creek Limousins. Viewing the carcasses was a great learning experience for us all. We were also fortunate enough to have the carcass over judge give a demonstration on how to judge the meat and what to look for, a rare opportunity which gave us a better understanding of what we are trying to achieve.

Albury was a great way to finish the 2016 show season and we wish to thank all breeders who donated their steers to enable us the opportunity to compete at the show.

## YEAR 11PI TRIP TO “THE BULLS RUN”

On Thursday 20<sup>th</sup> October, two Year 11 Primary Industry classes went on an excursion to a farm called “The Bulls Run” near Ganmain, accompanied by Miss Weller and Mr Collins.

When we arrived the bus stopped at the sheep yards so we could watch the end of a mob of ewes being dipped with Cyro-Fly 500 for the prevention of blowfly strike. During the dipping process two good working dogs and a contactor were pushing ewes up a ramp and into a cage while another was operating the hydraulic dipping cage. When the sheep were in the cage the lid was closed and the cage was lowered into the dip sump below until the sheep in the cage were completely submerged for about five seconds before being brought back up. After every ewe had been through the dip, we all got back on the bus and headed to the cattle yards.

**Sheep coming out of the dip**

**Calf Marking**

At the yards, 102 Angus calves had been drafted off their mothers. Then for the next three hours all students rotated between different jobs such as sorting ear tags, ear tagging, vaccinating, catching calves in the calf cradle and moving calves up the race, while the farm manager Scott Hughes castrated any bull calves. Some of the students were allowed to identify the cows and draft into wet and drys before vaccinating all with their annual booster.

When we had finished at the cattle yards, we washed up and found a shady tree to set up the barbeque and cook lunch. After a fulfilling meal supplied by the kitchen ladies, we packed up and headed out on foot to bring a mob of around 1300 first cross lambs to the sheep yards for shearing the next day.

Overall everyone really enjoyed a great day learning and viewing new things as well as experiencing the large scale farming that

**Making new friends**

we don't have available at our school. We really appreciate Miss Weller and Mr Collins for taking us and also everyone at “The Bulls Run” who gave up their time to explain and share their knowledge with us about agriculture and the

processes and operations used on “The Bulls Run”.

## UNDER 15'S NETBALL GALA DAY- WAGGA

On the 26<sup>th</sup> October, nine students travelled over to Wagga Wagga to play in the Under 15's Riverina Netball Gala Day. The girls played five games in total against Finley, Narrandera, Cootamundra, James Fallon and Tumut. They played exceptionally well and were complimented by a spectator on their determination on the court. Yanco won two out of the five games. Congratulations to each of the students. A huge thank you must go to Amber Bevan for umpiring each game.

## SCHOOL PROMOTION

During the last week of Term 3, several groups of students and staff attended the Henty Field Days to promote our school and answer questions from prospective students and their parents. Each day was busy with a record crowd on the Tuesday. The Wednesday Field Day Program featured members of the YAHS Drum Corps performing at "The Stump".

On the first weekend back in Term 4, six students, Mr Hunt and Mr Hammond attended the Murrumbateman Field Days near Yass. Once again, great weather drew record crowds and we were able to answer questions from many prospective families. We also met some of the students who have accepted places for Year 7 in 2017 and who are very excited about attending the Transition Program in late November.

Thanks goes to the students who represented themselves and their school in an exemplary manner, and special thanks to the parents who also attended and spoke to visitors about their own special relationship with Yanco.
